PRO MP242PMG

Business & Productivity Monitor

IIISI

A person is standing on the peak of a rugged, rocky mountain. They are wearing a light blue shirt and dark pants, and are looking out over a vast, hazy landscape of rolling hills and valleys. The sky is a warm, golden-orange color, suggesting a sunset or sunrise. The overall mood is one of tranquility and achievement.

Smooth Collaboration: 120Hz Business Monitor with Built-in Webcam

Experience exceptional clarity and performance with our 120Hz business monitor, designed for smooth visuals and enhanced productivity. The built-in webcam makes virtual meetings effortless, while EyeErgo technology ensures comfortable viewing during long work sessions by reducing eye strain and promoting a healthier posture.

PerfectEdge

4-side Slim Bezel

37.5% Slimmer

92%
Screen-to-body Ratio

Built-in Webcam with Mic & Cover

Mini-PC Mountable Stand

4-way Adjustable

120Hz Refresh Rate

PerfectEdge Provides the Perfect View

The four-side slim bezel design maximizes screen space, minimizing distractions and enhancing focus. Ideal for work, it allows seamless multi-monitor setups, creating a clean, expansive, and elegant workspace.

92% Screen-to-Body Ratio

Built-in Webcam & Speakers

The built-in webcam, digital microphone, and 2x 2W speakers deliver smooth, high-quality online meetings.

Effortless Dual Device Power-Up

HDMI CEC supports MSI Power Link, allowing connected MSI mini-PC's to power on simultaneously with the monitor.

EyesErgo

EyesErgo Tech, Your Health Protector

Optimize well-being and work efficiency with our display's ergonomic design and eye care features. Enhanced comfort and promote healthier productivity.

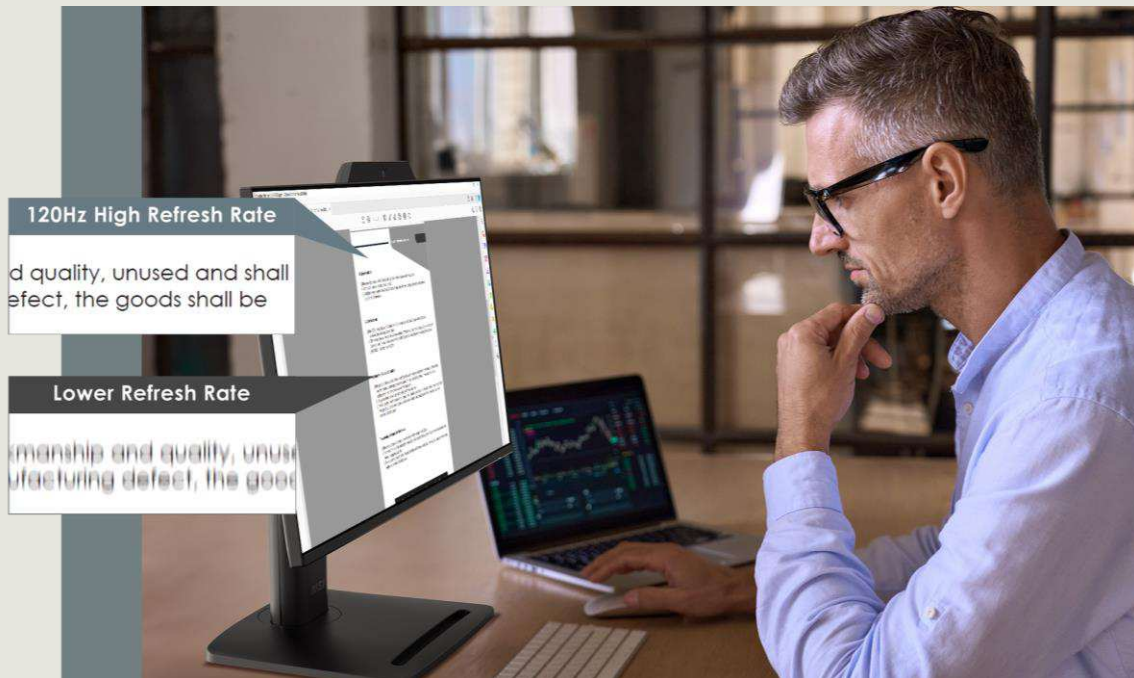

Seamless Visuals for Optimal Workflow

Flawless Flow, No More Stutters.

Attend the smoothest online conference call with a 120Hz refresh rate and show the perfect advertising video to customers with a 120Hz refresh rate.

VESA's research shows that for 95% of users, 85Hz Refresh Rate has become a defacto standard for normal use that shows "flicker-free" images.

85Hz – While not a “video-friendly” rate, 85Hz has become a defacto standard for PC displays wishing to meet the strictest ergonomic requirements for a “flicker-free” image. At this rate, typical CRT-based computer display, under standard viewing conditions, will appear “flicker-free” to greater than 95% of the population.

MSI Eye Care Technology: Eye Care Panel

TUV Certified
Anti-Flicker, Less Blue Light :
reduces users' eye fatigue
when working for long hours.

Anti-Glare panel :
minimizes the reflection and
makes users view clearly easily.

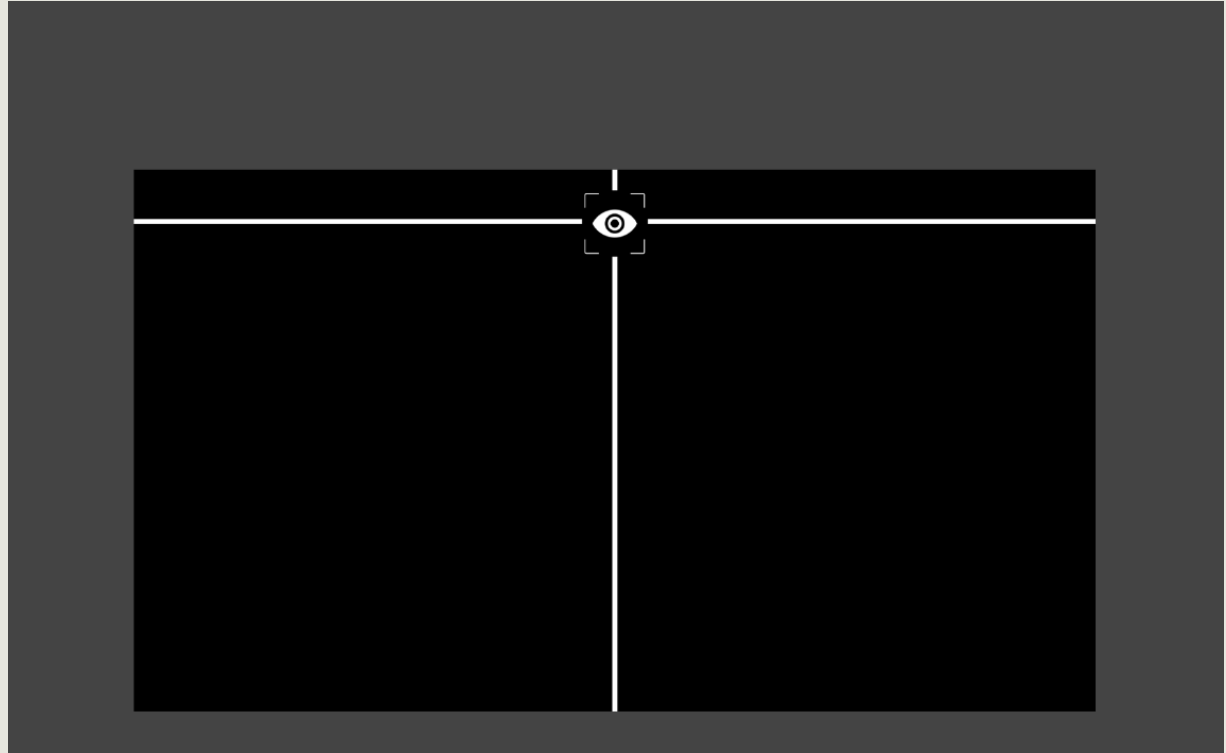

MSI Eye Care Technology: Eye-Q Check

*Enable from OSD

With Eye-Q Check, you can self-assess your eye health while working long hours, preventing eye problems from escalating.

Set up your desk with Posture Correction

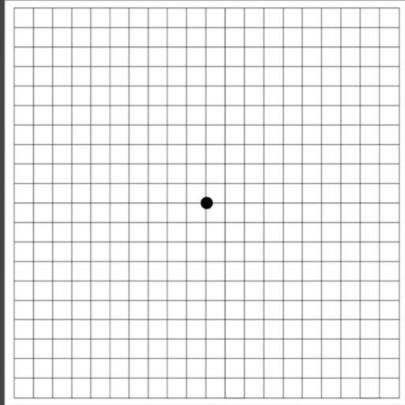

MSI Eye Care Technology: Eye-Q Check

The logo consists of a white 'Q' with a '+' sign inside a black circle, all on a black background.

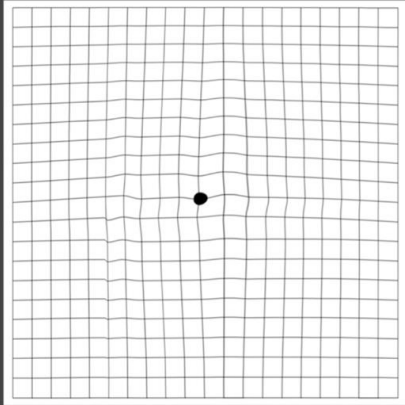

Detect early signs of retinal disease with Amsler Grid

Astigmatism self-test

Ergonomic Design: Adjustable Stand

Working in a suitable position not only has a positive impact on job satisfaction and productivity but can also contribute to overall health and well-being.

Sleek Integration with Mini PC Mountable

Experience the flexibility of a 4-way adjustable monitor and the convenience of a tidy desk with our mini-PC mountable stand.

Vibrant Collaboration, Seamless Precision

IPS Panel with Wide Viewing Angle

IPS panels enhance work with wide angles, accurate colors for collaboration, and assuring product colors. Promote productivity during extended sessions.

A man and a woman in business attire are standing on a balcony, looking at a smartphone together. The woman is on the left, wearing a white blouse and dark pants. The man is on the right, wearing a blue shirt and a dark blazer. They are both smiling and looking at the phone. The background shows a city skyline with tall buildings. The text "Functionality & Efficiency" is overlaid in the center.

Functionality & Efficiency

Refined Functionality, Enhanced Efficiency

PRO MP242PMG Series is the caring assistant that boosts your productivity.

VESA Mountable

The PRO MP242PMG supports the standard VESA mount. You can mount the monitor with MSI MT81 monitor arm or mount it on the wall and make the desk tidier and cleaner.

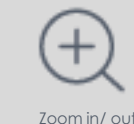

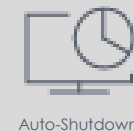

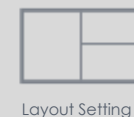

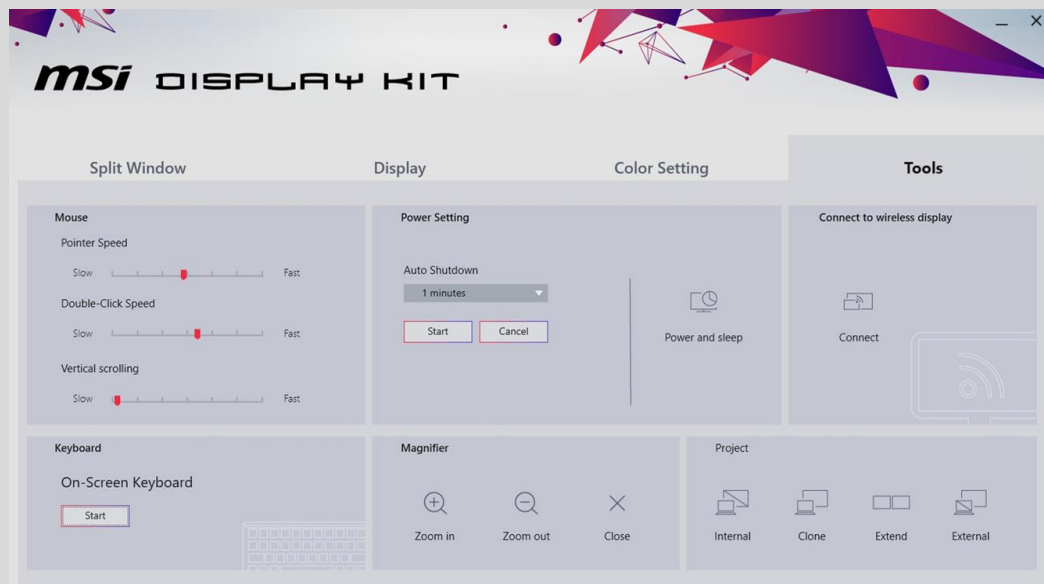

Accessory Slot

The accessory slot offers convenient storage for small peripherals, keeping your workspace organized and clutter-free. Ideal for cables, adapters, or other essentials, it enhances efficiency and maintains a tidy environment.

Simplicity At Your Fingertips

Display Kit App

Make your personal color mode with your own preference, the MSI Display Kit helps you to setup those proper color modes for you, including gaming, cinema or eye saver mode.

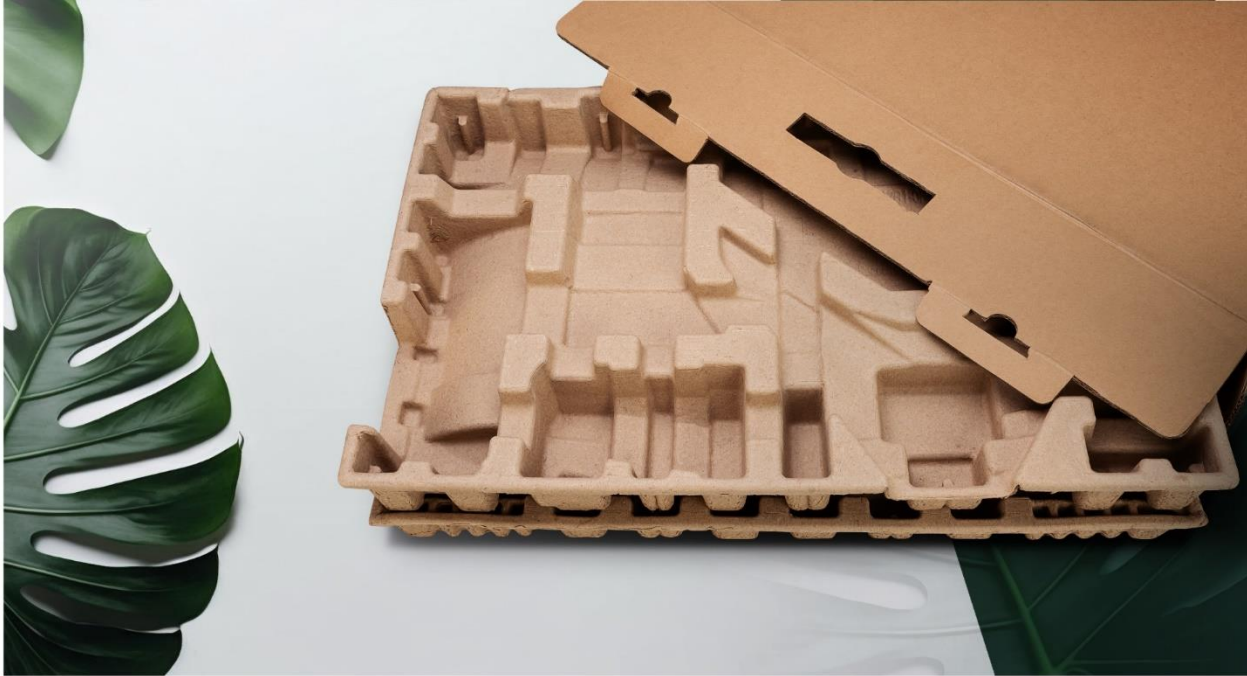

Power Saving Product

It is our responsibility to promote sustainable development and we proudly offer an eco-friendly product, contributing to a greener environment.
